

Artists and Special Events on Garlic Saturdays

We are excited to have some terrific artists (all wonderful friends) at our Garlic Saturdays, 12-5PM. In addition to our farmstand stocked with over 10 varieties of seed and culinary garlic, we'll be present on these days to answer all of your garlic growing questions. At 3PM each of these Saturdays there will be a special activity or tasting as below. We will also have our great new self-guided tour map of our farm (made by artist Phyllis Labanowski) so you can enjoy a farm tour.

If you'd rather come on your own time, our farmstand/garlic will be stocked and available in the self-serve farmstand starting Sept 11 and through October, but come sooner than later for the best selection. Cash and checks (payable to Seeds of Solidarity Farm) must be used at times other than Garlic Saturdays, when we can accept credit cards for garlic purchases.
